Food Made Mindfully

We believe good food starts long before
it reaches your plate.

CLOSE TO HOME

Many ingredients come from within 50 miles of our kitchen,
keeping flavours fresh and supporting local producers.

PEOPLE MATTER

Our suppliers are chosen for their commitment to
produce that's traceable, high quality and grown with care.

SEASON BY SEASON

Our menu follows the seasons, celebrating British
produce at its best.

LESS WASTE, MORE CARE

With our partners we reduce waste through careful
planning, food donations and recycling initiatives.
